

The Truman Youth Leadership Academy

- **Camp Leader Application**

Respect · Responsibility · Discovery · Excellence · Service

About the Project

The Truman Youth Leadership Academy is a one-week summer day-camp that promotes empowerment through civic involvement, public service and leadership through the University of Missouri's four core values: Respect, Responsibility, Discovery and Excellence. By motivating youth to assume leadership roles in their schools, churches, and local communities today, we can inspire them to fill tomorrow's US House of Representatives, US Senate, and maybe even the Oval Office.

Your Role

Camp Leaders will be involved in the curriculum development, as well as the camp facilitation itself. Applicants must be available for a training meeting in April 2020 TBA and well as the camp dates July 20th-24th 2020, from 8am-4pm. The ideal Camp Leader should be self-starting, enthusiastic, resourceful, patient, good with children, and serve as a positive role model on campus and in the community.

Application Process

Selection of Camp Leaders will be done through both an application and interview process. Interviews will be held on MU's campus in Spring 2020. Students who pass both the application and interview phases must also consent to a criminal background check.
